§ 453.8

the sentence: “However, any funeral arrangements you select will include a charge for our basic services” between the second and third sentences of the statement specified above herein. The statement may include the phrase “and overhead” after the word “services” if the fee includes a charge for the recovery of unallocated funeral provider overhead;

(B) Place the following disclosure in the statement of funeral goods and services selected, required by § 453.2(b)(5)(i): “Charges are only for those items that you selected or that are required. If we are required by law or by a cemetery or crematory to use any items, we will explain the reasons in writing below.”

(ii) A funeral provider shall not violate this section by failing to comply with a request for a combination of goods or services which would be impossible, impractical, or excessively burdensome to provide.

§ 453.5 Services provided without prior approval.

(a) *Unfair or deceptive acts or practices.* In selling or offering to sell funeral goods or funeral services to the public, it is an unfair or deceptive act or practice for any provider to embalm a deceased human body for a fee unless:

(1) State or local law or regulation requires embalming in the particular circumstances regardless of any funeral choice which the family might make; or

(2) Prior approval for embalming (expressly so described) has been obtained from a family member or other authorized person; or

(3) The funeral provider is unable to contact a family member or other authorized person after exercising due diligence, has no reason to believe the family does not want embalming performed, and obtains subsequent approval for embalming already performed (expressly so described). In seeking approval, the funeral provider must disclose that a fee will be charged if the family selects a funeral which requires embalming, such as a funeral with viewing, and that no fee will be charged if the family selects a service which does not require embalming,

such as direct cremation or immediate burial.

(b) *Preventive requirement.* To prevent these unfair or deceptive acts or practices, funeral providers must include on the itemized statement of funeral goods and services selected, required by § 453.2(b)(5), the statement: “If you selected a funeral that may require embalming, such as a funeral with viewing, you may have to pay for embalming. You do not have to pay for embalming you did not approve if you selected arrangements such as a direct cremation or immediate burial. If we charged for embalming, we will explain why below.”

§ 453.6 Retention of documents.

To prevent the unfair or deceptive acts or practices specified in §§ 453.2 and 453.3 of this rule, funeral providers must retain and make available for inspection by Commission officials true and accurate copies of the price lists specified in §§ 453.2(b) (2) through (4), as applicable, for at least one year after the date of their last distribution to customers, and a copy of each statement of funeral goods and services selected, as required by § 453.2(b)(5), for at least one year from the date of the arrangements conference.

§ 453.7 Comprehension of disclosures.

To prevent the unfair or deceptive acts or practices specified in §§ 453.2 through 453.5, funeral providers must make all disclosures required by those sections in a clear and conspicuous manner. Providers shall not include in the casket, outer burial container, and general price lists, required by §§ 453.2(b)(2)–(4), any statement or information that alters or contradicts the information required by this part to be included in those lists.

§ 453.8 Declaration of intent.

(a) Except as otherwise provided in § 453.2(a), it is a violation of this rule to engage in any unfair or deceptive acts or practices specified in this rule, or to fail to comply with any of the preventive requirements specified in this rule;

(b) The provisions of this rule are separate and severable from one another. If any provision is determined to
